

THE BRIMLEY SOCIETY

*Become part of a dedicated group of patrons
who are awed by the mysteries of science
and who revel in discovery.*

The Friends of the NC Museum of Natural Sciences and the members of the Brimley Society invite you to join us...

Early Life EXPLOSION

IT'S NOT JUST ANOTHER LOOK

Modern techniques are shedding new light on old dinosaur bones—and forcing us to revisit some long-held assumptions. We assumed that organic material rotted away and could not be preserved as part of the fossil record. But the data is telling us otherwise.

You are cordially invited to honor the Museum's founders, H.H. and C.S. Brimley, by supporting the most visited museum and top field trip attraction in North Carolina. Help usher in a new era of exploration reminiscent of the Brimley brothers' historic yet uniquely modern approach to science.

Contributions from Brimley Society members, our most committed supporters, help supplement the Museum's free admission and affordable programs, ensuring that every visitor entering our doors has the opportunity to experience cutting-edge science in myriad ways.

A perfect blend of membership and philanthropy, your Brimley gift helps the Museum offer an array of presentations, events, exhibitions and educational programs, including:

- Astronomy Days, Reptile and Amphibian Day, BugFest and more
- Outreach programs for underserved communities
- Public presentations by world-renowned scientists
- A wide variety of fun and educational summer camps

Please join the Brimley Society now and help the North Carolina Museum of Natural Sciences continue to thrive and grow!

Take advantage of your Brimley Society membership!

Beyond the satisfaction of giving, the Brimley Society adds value with exclusive benefits available only to Brimley donors, including:

- invitations to Brimley events and programs
- guest passes to special exhibitions
- discounts on admission to signature opening events and on rental fees
- Smithsonian Affiliate Membership

Brimley Society Levels

\$ 1,000 Brimley Society Member

\$ 2,500 Brimley Society Associate

\$ 5,000 Brimley Society Patron

\$ 10,000 Brimley Society Sponsor

The Brimley Society also includes membership in Friends of the Museum, with extras such as:

- the stunning *North Carolina Naturalist* magazine
- discounts in the Museum stores
- free admission to more than 300 science museums worldwide

To join, visit naturalsciences.org/membership or contact Sarah Lowder at 919.707.9826 or sarah.lowder@naturalsciences.org.
